PRIVACY SUMMIT 2017**

An aerial photograph of Paris, France, featuring the Eiffel Tower as the central focus. The tower is illuminated and stands prominently against a sky with soft, colorful clouds in shades of blue, purple, and pink, suggesting a sunset or sunrise. The surrounding cityscape is visible, with numerous buildings and streets. A blue semi-transparent overlay covers the left side of the image, containing white text.

Article 28

Processor

1. Where processing is to be carried out on behalf of a controller, the controller shall use only processors providing sufficient guarantees to implement appropriate technical and organisational measures in such a manner that processing will meet the requirements of this Regulation and ensure the protection of the rights of the data subject.
2. The processor shall not engage another processor without prior specific or general written authorisation of the controller. In the case of general written authorisation, the processor shall inform the controller of any intended changes concerning the addition or replacement of other processors, thereby giving the controller the opportunity to object to such changes.
3. Processing by a processor shall be governed by a contract or other legal act under Union or Member State law, that is binding on the processor with regard to the controller and that sets out the subject-matter and duration of the processing, the nature and purpose of the processing, the type of personal data and categories of data subjects and the obligations and rights of the controller. That contract or other legal act shall stipulate, in particular, that the processor:

- Process per instructions
- Transfers
- Confidentiality
- Security
- Sub-processors
- Data Subject Requests
- Breach Response
- DPIAs and Consultation
- Deletion
- Inspection/Audit
